Matches the primary planner interior.

# Teacher Guide (Item Code TG-23)

The Teacher Guide is a complete planner (just like the student's planner) plus 28 pages of Teacher Resource material for the evidence-based character education materials included in the planners. These are available for the elementary, and both secondary planners.

This includes suggested activities for the teachers to do with the students that have to do with the character education content. There are also pre-and post-test questions relative to the character education content in the planner. This can be used to check the efficacy of the planner's content.

## Teacher Record and Lesson Plan/Assignment Planners (Item Code TRB-23)

The Teacher record book is a complete planner (with seating chart pages, lesson plan pages and grade sheet pages). These are available for the elementary and full size secondary planners.

### Record book includes:

- Memorandum pages
- 31 attendance and grade sheets (10 week periods each)
- 8 seating charts

### Lesson plan/Assignment book includes:

- Program page
- Schedule for school events (2 pages)
- 41 double pages of lesson plan sheets. Monday through Friday, 6 periods.
- 10 seating charts.

This image shows a sample page from the Teacher Record book. It features a large grid for student names and attendance/grades. The grid is divided into two main sections: 'Period Beginning' and 'Period Ending'. The 'Period Beginning' section has columns for 'Subject', 'Month', 'Date', and 'Names'. The 'Period Ending' section has columns for 'Week Distribution', 'Week Distribution Semester', and 'Period Ending'. The grid is designed to track student attendance and grades over a 10-week period.

This image shows a sample page from the Lesson Plan/Assignment book. It features a grid for lesson plans. The grid is divided into two main sections: 'Lesson Plans' and 'Month/Week/Date'. The 'Lesson Plans' section has columns for 'Lesson Plans', 'Month', 'Week', and 'Date'. The 'Month/Week/Date' section has columns for 'Month', 'Week', and 'Date'. The grid is designed to track lesson plans over a 10-week period.

This image shows a sample page from the Lesson Plan/Assignment book. It features two seating charts. Each seating chart is a grid with columns for 'Class' and 'Period'. The grids are designed to track seating arrangements over a 10-week period.
